To

The Secretry to the Government, Revenue Department.

Copy of Ref.B5. 31598/51 dated 10-3-52 from the Collector of South Kanara, To the Secretary to the Commissioner of Land Revenue, Board of Revenue.

Sub: Assignment -Land - South Kanara District - grant of specially valuable land under S.S.O. 15 (22) - increase of work - sanction of addl. staff - requested.

Ref: Board's R.T.No. 7953 dated 21-11-51.

*****

In its reference cited, the Board ordered that the Collector alone, can sanction the assignment of specially valuable lands falling under S.S.O. 15 (22) to the three classes of persons mentioned in para 2 of G.O. No. 1523 Rev. dated 11-6-1949. According to these instructions the Tahsildars and Dy.Tahsildars have to obtain Collector's sanction before any non-kunki land could be assigned under G.O.No. 1523 Rev. dated 11-6-1949.

2. The work relating to the assignment of lands to ex-servicemen and landless poor persons has been taken up in this district. The statistics furnished below shows the no. of applications for assignment of lands from ex-servicemen and landless poor persons pending in the subordinate offices as on 15-12-51.

Name of the Taluk.	No. of applications pending as on 15-12-51.		
	Applications received from ex-servicemen.	Applications received from landless poor persons.	Total.
Coondapur.	28	200	228
Udipi.	..	..	300
Karkal	110	175	285
Mangalore	657	235	892
Puttur	115	1500	1615
Kasargod	165	1850	2015
Hosdrug sub-taluk.	..	..	502

It will be seen that in Puttur and Kasargod taluks large No. of applications still remain to be disposed off. The staff in these two offices is over

P.T.O.

P over worked. In Hosdrug sub taluk also the Dy. Tahsildar's office is understaffed. The total no. of applications pending in the several offices which will be referred to the Collector for orders in pursuance of the Board's orders are 5908. Besides these I expect that a large number of applications will be received here after also from these classes of persons as a time limit has been fixed as 1—7—52. This will mean increased work in my office and it will be an item of work which will have to be attended to with care and expedition. The clerk dealing with the work of assignment in my office, has to attend to other important items of work relating to encroachments leases, transfers of lands loans etc., and he is already over-worked. It may not therefore be possible for this one clerk in my office to cope up with this additional work. There is therefore a real need for the employment of an additional hand to assist him.

3. I request that the Board may be pleased to move the Government for sanctioning an additional post of lower division clerk to work in the Collector's Office and one additional Lower Divisional Clerk's post for each of the two taluk offices viz., Puttur and Kasaragod and also another for the office of the Dy. Tahsildar Hosdrug for a period of six months for the present.

The Board of Rev. has recommended the employment of 4 l.d.cs for a period of 6 months.

3. In this connection it is submitted that in G.O.Ms.No.1223, Rev. dated 21.5.51, sanction was accorded for the employment for a period of 3 months from the date of appointment of the additional staff of 5 Revenue Inspectors, 5 peons and 4 L.D.Clerks for work relating to the disposal of darkhast applications in the S.Kanara dt. This staff has since been disbanded. Again in G.O.No.271, Rev. dated 30.1.52, the employment for a period of 3 months of an additional staff of one Revenue Inspector, one peon and one L.D.Clerk for Mangalore taluk Office was sanctioned. The field staff employed in the district would no doubt have submitted proposals for the assignment of the lands to ex-servicemen, etc. and consequently the work in the Collector's Office and in the Taluk Offices should have increased considerably and hence the request for the employment of the special staff by the Collector

It is, however, submitted that the general question of employment of additional staff in the districts for work connected with the assignment of lands to ex-servicemen is separately under consideration and the Board of Revenue has been asked to submit consolidated proposals. It is for orders whether the request of the Collector of S.Kanara may be considered along with the general question or whether in view of "A" on p.1 ante, the special staff required by the Collector and recommended by the Board will be sanctioned now itself.
